1. Click on the assignment title to view comments/information about the assignment.
2. Code legend – collected, late or missing
3. Click on blue hyphen - to view assignment comments made by the teacher. This is a pop up box. Assignments with practice scores (1P, 2P, etc.) will have a 0 in the codes column, above the comment hyphen.

Note: assignments with standards linked will not show scores on this page. Click on ‘Standards grades tab’ to view standards grades.

Click on the tab 'Standards Grades' and you will view your student's standards scores.

If you click on the score number, you can then view the assignments that are linked to that standard and comments, if any.

The screenshot shows a web application interface with a 'Standards Grades' tab selected. A modal window titled 'View Standard Assignment Details' is open, displaying a table of assignment information. The table has four columns: 'Assignment', 'Due Date', 'Score', and 'Comments'. There are three rows of data visible in the table.
